In TA-15-645, TALD is revising its service offering for Fractional PRI ISDN service to provide additional options to subscribers. This revision introduces 7B+1D and 11B+1D channel options and grandfathers current Fractional PRI ISDN customers at the current rates for 12B+1D. In addition, discounted pricing for 12, 24, and 36 month term agreements is offered. Customers may also purchase additional channels at discounted rates. A maximum of 15 channels per customer location are allowed and a non-recurring charge of \$100.00 applies to add or remove channels, per occurrence. Below is a summary of the rates:

Fractional PRI ISDN service	Month-to-Month	12 Month Term	24 Month Term	36 Month Term
7B+1D	N/A	\$245.00	\$220.00	\$199.95
