Do You Qualify for Lifeline?

Individuals qualifying for the **Lifeline & Link-up** assistance program may choose cellular phone service from TelAlaska.

TelAlaska Cellular's **Lifeline** service plan provides:

- Unlimited local calls and calls placed to and from communities within the TelAlaska Cellular Network
- One FREE, high quality cellphone
- 400 Long Distance minutes per month, in-state and out-of-state calling
- Voice Mail and Calling Features
- FREE nationwide unlimited text messaging plan (a \$5.99 value)

Plan does not include "roaming" (long distance calls placed when you travel outside the TelAlaska Cellular Network). Roaming is 25¢ per minute. Long distance calls that exceed 400 minutes per month are 25¢ per minute. Monthly long distance allotments are calculated from the 24th of the month through the 23rd of the following month.

PRE-PAID Service

Great for kids and visitors! No contracts or monthly fees required! Purchase your cellular phone from TelAlaska Cellular and use a prepaid account or scratch card to make or receive calls and texts. Free voicemail and calling features. No contracts or monthly fees required!

Incoming and outgoing calls are 40 cents per minute. Text messages are 40 cents per text. Funds will be deducted from a prepaid amount you deposit with TelAlaska Cellular or you may purchase scratch cards in increments of \$15 or \$40. The prepaid service is available only in the TelAlaska Cellular network; the service will not work when the phone is roaming outside of the network. The funds in your account expire 90 days after activation unless you place more funds in your account. When your account balance reaches \$0, no further calls can be made or received by the phone until more funds are added to the account. Cellular phones are available for purchase at the retail price.
