

# EYECOM RATE CHANGE NOTICE

Dear Customer,

Basic cable television rates in Unalaska will increase to \$59.95 beginning January 1, 2009. This 13% increase is primarily the result of continually increasing network programming costs, which have risen 28% since our last rate increase four years ago. **The rate for premium channels and digital TV will not change.**

On January 15, Eyecom will add a new channel to your lineup. Hallmark Channel is a 24-hour television network for family-friendly programming and a leader in the production of original movies. Hallmark also airs a mix of popular television series, including "Cheers," "7th Heaven," "Murder, She Wrote," "M\*A\*S\*H," "Walker, Texas Ranger" and "Little House on the Prairie." The Hallmark Channel will appear on Channel 29.
