Parental Controls

Please be advised that some basic cable channels feature mature content. Eyecom encourages customers to utilize the parental control features on their set top box if they have any concerns. To access the parental controls you must first create a PIN code under the quick menu setting icon (it looks like a lock). After creating a PIN, you can select whether you would like to lock down content based on ratings, channels or content.

599 East Broadway
Unalaska, 99685
